UNDERSTANDING YOUR BILL

Ready-To-Serve-Charge: There are two components to this charge shown on the WSSC bill; (1) the Account Maintenance fee which covers the cost to bring water and sewer service to every home and business; including meters, meter readers and billing; and (2) Infrastructure Investment which is allocated to the replacement/rehabilitation of system infrastructure.

Bay Restoration Fee (BRF): This fee is collected by WSSC on behalf of the State of Maryland in compliance with a 2004 law. This fund is used by the State to improve water quality in the Chesapeake Bay. To determine eligibility for an exemption of this fee, visit www.wsscwater.com/bayexempt.

Customer Assistance Program (CAP): WSSC provides a partial credit for eligible, low income customers. Eligibility is based upon participation in the Maryland Office of Home Energy Program. CAP provides relief for the two components of the Ready-To-Serve Charge and will be shown on a residential customer bill as one credit. To learn more or check your eligibility, visit www.wsscwater.com.
